PREFACE

The Beilis affair has constituted the darkest tragedy of the Jews in recent years. The evil forces of the Russian Empire conspired against them, an innocent Jew was tortured in prison for two years and a half, and the entire Jewish people in Russia was threatened with pogrom panics through this political conspiracy. In the Beilis affair, the Russian Government's policy of cruel, militant anti-Semitism reached its culmination. Just as the civilized world was shocked at the Kishineff massacres, so it was appalled when the Russian Government revived the infamous blood legend for the purpose of discrediting the Jewish people and justifying new massacres.

The list of events in Russia during the past twelvemonth recorded in this volume reveals a painful state of affairs. The sufferings and hopelessness of the Jews in the Pale of Settlement are shown in the simple records of "ordinary" happenings, of wholesale expulsions,—silent, bloodless pogroms—of new devices for persecution, of the suppression of education, and of the ritual murder delirium with which the Russian Government has crazed the minds of the Russian masses.

With the growth and development of American Jewry, the problem of Jewish education has become more and more intense. The things already accomplished in the field of Jewish education and the important problems still to be worked out are presented forcefully by the Reverend Doctor Julius H. Greenstone in his article on the subject of Jewish Education in America, published in this volume. Dr. Greenstone has analyzed the responsibilities of American Jewry and its opportunities for familiarizing the younger generation "with events that have made Israel a great people and with the literature wherein Israel's greatness is embodied."

The memoir on the Jewish population in the United States, by Dr. Joseph Jacobs, Director of the Bureau of Statistics of the American Jewish Committee, will doubtless attract much attention. His new estimate fixes the Jewish population of the United States on July 1, 1914, at 2,933,374, and according to Dr. Jacobs, "by January 1, 1915, the Jews of the United States will reach the three million mark, or, in other words, at that date, one out of every thirty Americans, and in the urban districts one out of every sixteen, will be a Jew."

I wish to express my profound gratitude to Miss Henrietta Szold, Doctor Cyrus Adler, Louis Marshall, Esq., and Judge Mayer Sulzberger, for their important aid and most helpful

suggestions in connection with this issue of the YEAR BOOK. I also wish to make acknowledgment to Miss Rose A. Herzog and Mr. Harry Schneiderman for their painstaking and valuable assistance in the preparation of this volume.

HERMAN BERNSTEIN.

is called 675 (תרע"ה) according to the short system (לפ"ק). It is a defective year of 12 months, 50 Sabbaths, 353 days, beginning on Monday, the second day of the week, and having the first day of Passover on Tuesday, the third day of the week; therefore its sign is בחג, i. e., ב for second, ח for defective (חסרה), and ג for third. It is the thirteenth year of the 299th lunar cycle of 19 years, and the nineteenth year of the 203d solar cycle of 28 years, since Creation.
