PREFACE

In taking over the editorship of the AMERICAN JEWISH YEAR BOOK after a series of distinguished predecessors—Dr. Cyrus Adler, Miss Henrietta Szold, Dr. Herbert Friedenwald, and Mr. Herman Bernstein—I feel that I could not do better than follow in the main lines which their experience has evolved. After many tentative attempts in various directions, to give it a literary, historical, or reference character, the AMERICAN JEWISH YEAR BOOK has at last settled down into a detailed chronicle of the past year of the events interesting to Jews in all countries, an account of the chief organizations which have a national scope throughout the United States, with a special report of the two national organizations, the American Jewish Committee and the Jewish Publication Society of America, with whose co-operation the YEAR BOOK is produced.

This naturally leaves but little space for other topics which vary from year to year, and have hitherto been selected according to the subject that most pressed for attention at the time. It will be remembered that during the agitation connected with the Passport Question, the YEAR BOOK contained a valuable study of the problem which helped considerably in the movement which led to such a striking victory in Congress. So too, when the question of greater restriction of Immigration was the topic of the day, the YEAR BOOK contained an article "In Defense of the Immigrant." It was also natural when the Publication Society celebrated its semi-jubilee that the YEAR BOOK should contain the proceedings on that memorable

occasion. Thus from year to year, the topic of the time has received due attention in our pages.

This year of course all thoughts are directed to the European War, which is affecting so disastrously the fate of Israel in "Old Poland" divided among three of the combating nations, and in Palestine, which has been dragged willy-nilly into the fray. It would therefore have been appropriate to have an account of the European War so far as it affected Jewish interests for the chief subject of the YEAR BOOK for 5676. But it was felt that any account of the Jewish part in this titanic struggle would have been so incomplete and inaccurate that it was finally decided to defer this burning topic for a subsequent issue, when, it may be hoped, the war shall have passed into history.

One result of the war will undoubtedly be to settle the fate of Palestine for a long time to come, and it seems therefore appropriate to devote the chief article of the present issue of the AMERICAN JEWISH YEAR BOOK to an account of the recent progress in Palestine as it has affected the Jewish inhabitants of the Holy Land. It has been written by Miss Henrietta Szold, and gives for the first time in English, at such length, an account of the upbuilding of the Jewish population of Palestine within recent years. Quite apart from its bearing upon future problems, the position of the Jews in the land of their fathers has an intrinsic interest of its own to every Jew, which Miss Szold's article cannot fail to satisfy.

Another feature that has become usual in the recent issues of the YEAR BOOK has been some historical article on Jewish problems or tendencies in American Israel. The progress of agriculture among American Jews, the hardships caused by

Sunday Laws, the organization of the Jewish Community of New York, the progress of Jewish Religious Education in the United States, have been among the topics touched upon. On this occasion we give an article on the Federation movement in Jewish charity, which has spread so remarkably throughout the larger Jewish communities in the United States. I have endeavored, in my treatment of the subject, to be purely objective, and have been concerned more to give accurate data as to the remarkable development of the movement, than to draw any practical conclusions from them.

In preparing the present issue, I have, like my recent predecessors, been benefited by the advice of Dr. Cyrus Adler and Miss Henrietta Szold, who have both read the proof, and improved the final form by their suggestive criticisms. Dr. Julius Greenstone, as on previous occasions, has seen to the accuracy of the calendar, and we have added a series of tables enabling the reader to translate Jewish into current dates, and vice versa, for the purpose of determining anniversaries of deaths and the like. It is hoped that this innovation will be found useful.

Miss Rose A. Herzog and Mr. Harry Schneiderman have continued their kind co-operation in the work of preparing the manuscript, and I desire to express my warmest acknowledgment of their help.

JUNE, 1915.

JOSEPH JACOBS.

is called 676 (חרע"ו) according to the short system (לפ"ק). It is a perfect leap year of 13 months, 55 Sabbaths, 385 days, beginning on Thursday, the fifth day of the week, and having the first day of Passover on Tuesday, the third day of the week; therefore its sign is השג, i. e., ה for fifth, ש for perfect (שלמה), and ג for third. It is the fourteenth year of the 299th lunar cycle of 19 years, and the twentieth year of the 203d solar cycle of 28 years, since Creation.
