</table>
province from the rest of Canada would threaten the viability of the country's Jewish community.

Among other noteworthy articles in the current volume are: "Intergroup Relations and Tensions in the United States," by Murray Friedman, a review of urban problems, the state of prejudice, church-state issues, Christian-Jewish relations, Israel, Soviet persecution of Jews, and other questions that concern the Jewish community; the annual compendium, "The American Jewish Community Responds to Issues of the Day"; Daniel J. Elazar's bibliographical essay, "Confrontation and Reconstitution: Selections from the Literature of Jewish Public Affairs, 1969-1971."

Memorial tributes to Jacob Glatstein by Shmuel Lapin, and Joseph M. Proskauer by David Sher appear in the Necrology section, as does an appreciation of the late Protestant thinker Reinhold Niebuhr, whose importance to the Jewish community is discussed by Seymour Siegel.

Also provided are the annual reviews of Jewish and political events affecting Jewish communities throughout the world.

Carefully compiled directories of national Jewish organizations and publications, religious calendars, and obituary notices, as well as a comprehensive index, enhance the usefulness of this highly regarded reference work.
THE STANDARD, AUTHORITATIVE RECORD of the events and significant trends in American and world Jewish life. Communal workers, librarians, clergymen, journalists, teachers, and students will welcome the YEAR BOOK as an invaluable reference tool. The general reader interested in Jewish life will find the special features and reviews stimulating, informative, and lucid.

Special summaries, analyses, reports, directories, lists, tables, calendars, bibliography, statistics, index. Attractively designed, the AMERICAN JEWISH YEAR BOOK will be a welcome addition to every reference shelf and home library.
