Preface

The present volume features two articles dealing with religious developments in Israel: "Religiosity Patterns in Israel" by Calvin Goldscheider and Dov Friedlander and "Reform and Conservative Judaism in Israel: A Social and Religious Profile" by Ephraim Tabory.

Jewish life around the world is reported on in a series of articles dealing with Israel, Canada, Great Britain, France, the Soviet Union, Poland, Rumania, Bulgaria, and South Africa. Estimates for the world Jewish population are given.

Carefully compiled directories of national Jewish organizations, periodicals, and federations and welfare funds, as well as religious calendars and obituary notices, round out the 1983 AMERICAN JEWISH YEAR BOOK.

We are very grateful to our colleague Carol Sue Davidson for technical and editorial assistance. Thanks are also due to Joan Margules for her proofreading efforts and to Diane Hodges for compiling the index. We acknowledge the aid of Cyma M. Horowitz, director of the Blaustein Library, Lotte Zajac, and all our other co-workers in the Information and Research Department.
