Developments in Jewish communities around the world are reported in articles about Canada, Mexico, Argentina, Great Britain, the Netherlands, Italy, Germany, Austria, Russia and the former Soviet Union, various countries of East-Central Europe, South Africa, and Australia. Political, diplomatic, and economic developments in the State of Israel are reviewed by David Horovitz.

Updated estimates for the U.S. Jewish population are provided by Barry Kosmin and Jeffrey Scheckner and for the world Jewish population by U.O. Schmelz and Sergio DellaPergola.

Carefully compiled directories of national Jewish organizations, periodicals, and federations and welfare funds, as well as religious calendars and obituary notices, round out this highly regarded reference work.
THE STANDARD, AUTHORITATIVE RECORD of events and trends in American and world Jewish life. Communal workers, librarians, clergy, journalists, teachers, and students will welcome the YEAR BOOK as an invaluable reference tool. The general reader interested in Jewish life will find the special features and reviews stimulating, informative, and lucid.

Special summaries, analyses, reports, directories, lists, tables, calendars, statistics, index. Attractively designed, the AMERICAN JEWISH YEAR BOOK is a welcome addition to every reference shelf and home library.
