DAY LETTER

Dr. I. M. Rubinow
Electric Bldg.
Cincinnati, Ohio

November 24, 1931.

Immediately learning trouble Cuba respecting Cultural Society American Jewish Committee without publicity sought Cuban Ambassador in Washington and received satisfactory assurances that no injustice would be permitted by government authorities Stop Article third page first column Jewish Daily Bulletin today also indicates little likelihood of serious trouble Stop Believe would be mistake for Jewish organizations to make issue this incident at present Stop Emergency Relief Committee still continuing help Jewish organizations
